Tonya,

The schedule looks good. There may be four people from Iowa DNR present for the site visit; Amie Davidson, - Iowa DNR Solid Waste/Contaminated Sites Supervisor

Davis Scott, - Iowa DNR Attorney

Susan Johnson, - Iowa DNR Solid Waste Section

I do not think that any of the above mentioned individuals will attend the afternoon meeting (I will let you know if that changes)

I plan to attend the site visit and the afternoon meeting.

It looks like **Thursday, August 3rd**, is the best day for most people who plan on attending the 5 Year Review site visit. Please put that date on your calendars.

I propose the below general schedule:

Site Visit: 10:30 am – 12:00 pm

Lunch Break: 12:00 pm – 1:00 pm

Meeting (to include 5YR interviews): 1:00 pm – 3:30 pm

The afternoon meeting will consist of a group interview to discuss concerns, issues and progress at the site since the previous five year review.

Brian, if you can provide the best place for the group to meet up at 10:30 am, as well as a location for the afternoon meeting, that would be appreciated. Thanks.
